

# Clinical and Academic Career Development in Haemostasis and Thrombosis

Haemostasis and Thrombosis Mentorship Scheme (UK) Trainees Day

Hosted by: The Scientific and Academic Coagulation Consortium

Chair: Dr Paul Batty & Dr Mike Desborough

SACC Research Award lead: Dr Suthesh Sivapalaratnam

Wednesday 10<sup>th</sup> January 2018 11.00-18.30

Beaumont Estate Hotel, Old Windsor SL4 2JJ

11.00-12.00 Registration

12.00-12.05 Welcome and Introduction  
Dr Paul Batty  
& Dr Mike Desborough

## Part 1: New Frontiers in Coagulation Medicine

12.10-12.35 Historical Perspective on Haemophilia:  
a Royal Disease in Windsor Prof Lou Aledort

12.40-13.10 Debate: Gene therapy  
or the novel agents are the future  
for haemophilia treatment  
in clinical practice Dr David Keeling  
& Prof John Pasi

13.10-14.10 Lunch

## Part 2: Haemostasis and Thrombosis Trainees Symposium

14.10-14.30 Non-Malignant Research  
Funding and Training Dr Paul Batty  
& Dr Mike Desborough

14.35-15.15 Setting up Clinical Studies  
Epidemiologist Perspective Prof Johanna van der Bom

15.20-15.50 Starting as a New Haematology Dr Gill Lowe

**Consultant -A Survival Guide**

15.55-16.25 Haemostasis and Thrombosis Quiz Dr Dan Hart

16.30-17.00 Tea/coffee break

**Part 3: Emergency Haemostasis and Thrombosis**

17.00-17.25 Traumatic Coagulopathy Dr Ross Davenport

17.30-17.55 Obstetric Haematology Prof Saskia Middeldorp

18.00-18.25 Consultative Haematology Panel  
Interactive Ask the Experts

18.30 Close of meeting and networking reception followed by Gala Award  
Dinner- keynote speaker (TBC)

**Registration: [www.coagulationconsortium.org.uk](http://www.coagulationconsortium.org.uk)**

# “New Frontiers in Coagulation Medicine”

Hosted by: The Scientific and Academic Coagulation Consortium

Chair: Prof Mike Laffan & Prof Roopen Arya

Beaumont Estate Hotel, Old Windsor SL4 2JJ

## Wednesday 10<sup>th</sup> January 2018

- 17.30-18.30 Registration
- 18.30-19.30 Networking reception followed by Gala Award Dinner- keynote speaker (TBC)

## Thursday 11<sup>th</sup> January 2018

- 07:00 – 08:15 5K Morning Run/ Walk for volunteers
- 07:45 – 08:30 Registration
- 08:30 – 08:45 Welcome and opening remarks Prof Mike Laffan & Prof Roopen Arya
- 08:45 – 09:15 Are DOAC anticoagulants good in all circumstances Dr David Keeling
- 09:20 – 09:50 Paediatrics-thrombosis Dr Elizabeth Chalmers
- 10:00 – 10:30 VWD Prof Karin Fijnvandraat
- 10:35 – 11:05 Tea/Coffee break
- 11:10 – 11.40 Coagulopathy associated with inflammatory states Prof Marcel Levi
- 11.45 – 12:15 Antibody to TFPI, inhibitors and other therapeutic targets for haemophilia Dr Michael Dockal

12:35 – 13:05	How gene therapy will look like	Prof Kathy High
13:00 – 14:00	Lunch	
14:05 – 14:35	Anticoagulation in antiphospholipid syndrome	Prof Hannah Cohen
14:40 – 15:10	PNH –acute controversies	Dr Anita Hill
15:20 – 15:50	PK/ inhibitor risk- how to interpret in haemophilia	Prof Alfonso Iorio
15:55 – 16:25	Tea/Coffee break	
16:25 – 16.55	Assessing bruising in children	Dr Georgina Hall
17:00 – 17:30	Haemophilia B PK in FIX differences in different genotypes	Dr Gerry Dolan
17:30 – 17:45	Final questions	
17:45	<i>Close of Meeting</i>	

Registration: [www.coagulationconsortium.org.uk](http://www.coagulationconsortium.org.uk)
